

# Living with Hearing Loss?

Discover a  
New Solution...  
Now Available at  
Physicians Regional.

Millions of people suffer from different forms of hearing loss, but for those afflicted with conductive and mixed hearing loss, as well as single-sided deafness caused by trauma, measles, Meniere's disease and/or tumors, there often hasn't been a clear solution...*until now.*

## Introducing the Baha<sup>®</sup> Implant Procedure

*An implantable hearing device that has shown great success rates in nearly 30,000 individuals originally not deemed candidates for ordinary hearing devices.*

*Seminar presented by:*  
Jay Roberts, M.D.  
Board-Certified  
Otolaryngologist
